## Monte Argentella

The day will begin with a hearty breakfast before setting off for an exciting hike in the Sibillini Mountains. With backpacks ready, we will head toward the summit of Monte Argentella, following a fascinating loop trail within the Sibillini Mountains National Park. We will cross the ancient imperial transhumance route and stop at the Capanna Ghezzi shepherds' refuge. Continuing through rolling hills, the view of the Pian Grande will be spectacular. Upon reaching Monte Argentella (2,201 meters), we will be rewarded with an extraordinary panorama. After enjoying a packed lunch with a view, we will continue toward Cima Palazzo Borghese (2,145 meters) and pass through a natural "gateway" leading us to Castelluccio di Norcia. At the end of the hike, we will take the shuttle back to Norcia, where you will have some free time to explore the town. The day will conclude with dinner and an overnight stay.

Once we reach the summit, we'll be rewarded with a 360-degree view of the Sibillini Mountains and the Adriatic Sea. After this extraordinary adventure, we'll take a shuttle back to Norcia, where we'll have some free time to relax before dinner.
